All families should have received their invitations in the mail. Contact the office if you have not received yours.

Mission Statement

St. John's Episcopal School instills a love of learning and a pursuit of excellence in a Christian atmosphere in which all students are honored.

18 April 2018

Dear St. John's Episcopal School parents,

I am writing to you because, simply put, we are in urgent need of your help. The school's Board of Trustees has joined forces with the Friends of St. John's parents group to hold the school's first-ever gala fundraiser: St. John's Episcopal School Blue & Red Bash -- Hidden Gem of the West.

The event is slated for 6-11 p.m., April 28th at Odessa Country, and will feature live and silent auctions, a wonderful dinner and dancing to a live band. The silent auction will be extra-special, featuring original works of art by our students.

This is a very important event, because we want to use proceeds from it to fuel the school's endowment and student scholarships. Both of these areas are vital for a private school such as ours to thrive and grow.

But in order for this event to be a success, we need your help.

Tables to the event -- as well as individual tickets -- are available for purchase in the school office. We are also selling tickets for a super raffle, and these are also available in the office. The raffle will feature some terrific prizes, including free tuition for a student for the 2018-2019 school year, a \$2,500 Visa Gift Card and a \$1,000 Southwest Airlines gift card.

If you can attend the event or purchase raffle tickets, then that would be great. If you can help sell tickets to the event or raffle tickets, then that would be absolutely super!

Because in the end, you are helping a wonderful school that in turn does so much for our students, including yours.

Thanks, in advance, for any help you can provide and every good wish,

Patrick Canty
President, St. John's Episcopal School Board of Trustees
